

A broad range of associated services

As a unique service provider to clients, we work very effectively with a number of associate organisations so that we can service the full range of support clients often need. These services are delivered by professionals in their field of expertise and we are able to offer real value for money for clients through our associations. Services include:

- Health and Safety
- Employee Assistance Programmes
- Occupational Health Services and Assessments
- Independent Financial Services
- Employee Benefits Design and Administration
- IT Consultancy and Solutions
- Funding, Sales, Purchases and Mergers.
